About Chief Steve Conrad:

Chief Steve Conrad is a Louisville native. He graduated from Ballard High School and the University of Louisville with a Bachelor's degree in Police Administration and a Master's degree in Community Development. He began his career with the Louisville Police Department in 1980 where he stayed for 25 years. In 2005, he left the Louisville Metro Police Department as an Assistant Chief to become Glendale, Arizona's Chief of Police. He and his wife happily returned to their hometown in 2012, when he was rehired as LMPD's current Chief. Chief Conrad and his wife have a daughter and two grandchildren.

October 10th Meeting Recap:

Moira Scott Payne, President of the Kentucky College of Art + Design (KyCAD), provided impressive updates on Kentucky's first college for art and design, established 10 years ago. KyCAD is already enjoying international attention for its students' talent and accomplishments, with one student already accepted into the prestigious and competitive Goldsmiths of London post-graduate program. Artists today are increasingly redefining art as interaction and having a positive impact in the world, driven by digital culture, Moira explained. Likewise, she said KyCAD is focused on economic growth, and is international in ambitions. Congratulations to Moira and the students of KyCAD, and many thanks for informing Rotarians about our jewel of a resource for local and international art students.

CONNECT FOR GOOD.
