### About Secretary John Tilley:

As head of the Kentucky Justice and Public Safety Cabinet, Secretary John Tilley oversees more than 7,000 employees and five major departments, including Corrections, Criminal Justice Training, Public Advocacy, Juvenile Justice, and the Kentucky State Police. Over the past three and a half years, he has led a transformative overhaul of the Department of Juvenile Justice to modernize policy, lower costs, and achieve better outcomes for both children and public safety. He also spearheaded a sweeping redesign of the Corrections' Reentry Division to focus resources on training inmates and better connecting them with jobs.

Secretary Tilley's presentation will focus on the multiple efforts that are underway to address Kentucky's prison crisis and lower recidivism through stronger reentry, expanded access to treatment and data-driven policy, all of which provides better returns on the taxpayer dollar.

## October 24th Meeting Recap:

John Gordon, Chief Meteorologist for the National Weather Service/NOAA Louisville provided a lively and informative presentation at our lunch meeting. John challenged Rotarians to answer "Fact or Fiction" questions and covered topics such as Floods, Tornadoes and Working With the Media. He also emphasized phrases like "when thunder roars, go indoors." John concluded his presentation by discussing some weather folklore.
