Committee Meetings-There are 2 conference rooms available at the Frazier for committee meetings on a limited basis. These rooms MUST be reserved in advanced and are subject to availability. Please contact the Rotary Office for the use of these rooms.

4th Floor Loft - West Bay-This area is always available for your meetings, but pre-meeting set up, sound checks and musician warm ups can present noise problems. Please understand that these activities are vital to delivering a quality meeting and accept our apologies for any inconvenience.

Meet & Greets-Welcoming fellow Rotarians to the weekly meetings always provides your best opportunity to distribute information and/or recruit volunteers. Please conduct all "meet and greets" in the 1st Floor Lobby rather than outside the 4th floor elevator. This high traffic area must remain as clear as possible so our servers can make their way from the kitchen to the buffet and dining tables.

October 26, 2017 - ROTARY MEETING RECAP

Our October 26th Rotary Club meeting featured **Dr. Marty Pollio**, Interim Superintendent for JCPS Schools. Dr. Pollio delivered a candid and conversational overview of his background in education and his initial four months in this key position. He introduced himself as a proud "school man" and complimented the JCPS School Board for their decision to appoint a school principal as superintendent. Dr. Pollio spoke to the importance and value of education and the role models in his life as well as the priority issues facing JCPS at this time: improving culture, increasing student learning and achievement and refining organizational coherence.

A detailed summary of Dr. Pollio's presentation as well as our meeting can be read [HERE](#).
