"If you think education is expensive, try ignorance." Andy McIntyre

"Teachers open the door, but you must enter by yourself." Chinese Proverb

"I believe that imagination is stronger than knowledge. That myth is more potent than history. That dreams are more powerful than facts. That hope always triumphs over experience. That laughter is the only cure for grief. And I believe that love is stronger than death." Note from Delene

First - I want to say CONGRATULATIONS to Tracy Peck who has been with us for a year! Please let her know how much you appreciate her. I've heard nothing but positive comments about how well she took care of everything while I was away. In fact, Walt may have suggested I leave more often LOL. She is quick to give credit to those of you who stepped up to help things run smoothly – it was a great team effort. Special thanks to Joyce and our hospitality team as well as Ashley Brauer.

Now for a recap of my trip "down under" to Melbourne, Australia for the Rotary International Convention! Warning - it's long, but so many of you have asked for details that I tried to cover as much as I could. Click [Read More](#) below.

Opportunity: Rain Harvest Dam Construction Project in India

By Roland Blahnik

There is a wonderful opportunity to go to India and work on a Rotary project to construct a Rain Harvest Dam. It is likely to be an amazing, perhaps life-changing, experience. You will also visit some of India's top attractions, like the Taj Mahal and the Agra Fort, and finish up in Kathmandu. Arrive in India October 20, 2023, and leave for home November 10, 2023. See the itinerary and details [HERE](#).

Trips like this led to my involvement in Kenyan projects, and my current efforts to participate in an Indian project like you will experience in India.

Please contact Elias Thomas ethomas@metrocast.net to arrange your attendance. If you would like to talk with me about my two experiences resulting in working with Kenya and working on starting projects with India, reach out to me at: rrblahnik@yahoo.com or 502-553-1955.
