

# Rotary Club of Louisville

## Note from President Kevin Lynch

Hello Rotarians,

Last week's luncheon turned out to be a great celebration of Walt Kunau's time as President of the Rotary Club of Louisville. Walt literally passed the gavel to me, and I'm looking forward to a fun and productive year. This year's Rotary International theme is, "*Create Hope in the World.*" That couldn't be more fitting for our Club. Rotarians come from all walks of life, but the one common trait is they want to use their talents to make the world a little better place.

## Note from Delene

Is "perfect" the enemy of good? I recognized myself in [this article](#) recently! Anyone struggle with this? Maybe we should form an accountability group. Sometimes it's just better to get the newsletter out than to spend hours trying to make it perfect, right??

This is a busy time as we transition to a new Rotary year, new leadership, new theme, new location, new budget, new projects and lots of events in addition to our weekly meetings. There is an incredible amount of work that goes on behind the scenes, which can make it a real challenge to set aside any time for life outside of Rotary! But as mentioned in my earlier note, I did squeeze in a quick visit with my daughter in Spokane, WA over the holiday. The weather was absolutely perfect and we were outdoors much of the time, working in the yard and flower beds, exploring the gardens at [Manito Park](#), and enjoying a cookout and fireworks. Tracy is taking some time away with her family this weekend in Tennessee. We both celebrated wedding anniversaries yesterday!

We have several important opportunities coming up:

THIS TUESDAY at 5:30pm: our **Business Synergy** evening networking event hosted by **Maggie Harlow** at Signarama Downtown. This is meant to be an opportunity to network with members (especially those of you who can't make the lunch meetings) AND to introduce others in the community to our Club. Please join us and bring a guest or two! RSVP [HERE](#).

THIS THURSDAY: our first meeting at the **University Club Louisville**! It will be a buffet style meal that opens at 11:45am, so come early if you can. RSVP [HERE](#).

NEXT THURSDAY: **Adam Watson, co-founder of Against the Grain Brewery**, will share "*How to*

*Become an Interesting Old Man" - you don't want to miss it! RSVP [HERE](#). If you are part of the International Service Committee or just want to learn more about it, be there at 10:30am for a committee meeting.*

**SAVE THE DATE:** On Sunday, July 23rd, we will host a **Rotary Day at the Range** - a day of education, safety and fellowship for the gun-curious, beginner shooters, and old-timers alike. As our Community Impact Committee begins the process of exploring how best our Club might make an impact in reducing gun violence in our community, this is a step toward education and beneficial conversation around the many facets of this complex issue. Included will be an introductory course from the Openrange staff, Stop the Bleed training with Whitney/Strong, an opportunity to practice shooting if desired, as well as food and fellowship. Stay tuned for details!

Scroll all the way down to see other important information, more events, and upcoming speakers, and be sure to wish your fellow Rotarians a happy birthday!

Finally, I want to express my deep gratitude for the honor bestowed upon me this week in the form of the Rotary Service Above Self award. I am first a Rotarian, and second, an Executive Director. While I am paid for much of the work I do for our Club, I also contribute many hours as a member, living out our values in the same way that each of you do. I'm proud to be a Paul Harris Fellow and a Mercury level donor to our West Louisville Housing Initiative, and encourage each of you to consider doing the same if you have not already. I will be sharing more about the state of our Club and highlights of the past couple of years over the next few weeks as time permits. I am excited about ways to make our Club even better and welcome your ideas and input as we join forces to...

**CREATE HOPE**  
**in the WORLD**

In service,

*Deleue Taylor*

**Next Week's Meeting - Shawn Dawley, President of OT2 Consulting**

Next week's meeting at the **University Club Louisville**, will feature **Shawn Dawley, President of OT2 Consulting**.

*"Our ability to thrive comes not from the peace we seek but the pain we endure."* In a talk titled "Embrace the Hardship," Shawn will share some personal wartime insights that can help individuals, teams, and organizations prosper during and after difficult challenges.

RSVP by Noon, Monday, July 10th [HERE](#).

Lunch is \$25 and the menu will be a BUFFET of Asian chicken stir fry with roasted vegetables, salad with ginger dressing, rolls, cookies. Salad with grilled chicken will continue to be offered as well as a vegetarian/vegan and/or gluten-free option, upon

advance request. We will **open the buffet at 11:45am**, so plan to arrive early if you wish to eat.

There is a \$5 meeting fee for those who choose not to purchase a meal - this will include a dessert and tea/coffee/water and, of course, a fantastic program. You can pay \$5 in advance via SurveyMonkey or with cash, check or scan the QR code at check-in to pay with a credit card.

**So Long, Walter**

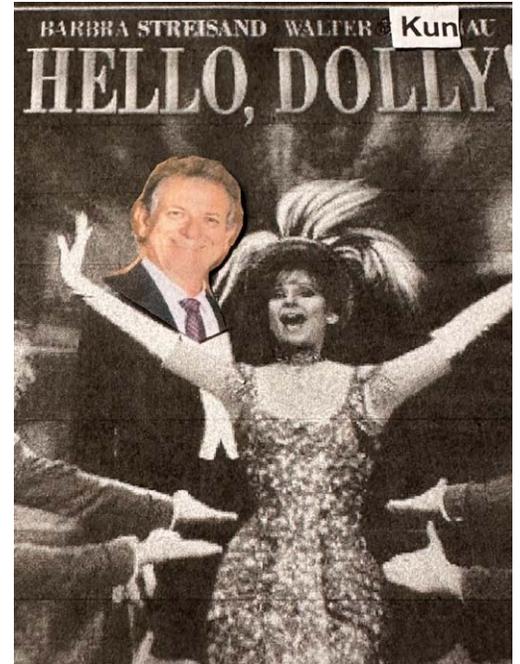

For those who missed the special performance at Walt's final meeting as President, here are the lyrics, sung to the tune of *Hello Dolly*. Thank you to **Charlie Castner** for coming up with this delightful tribute, and to **Doug Myers, Barbara Collins** and accompanist Robert E. Lee for lending their musical talents to the effort (and shout out to **Greg Braun** for the fun graphic!). You can view the performance [HERE](#).

So long, Walter  
Here's a song, Walter  
Just to say we're really gonna miss your smile  
Your words of wisdom are liable to end up in the Bible  
and your tee shots on the front nine soar for half a mile!  
The IRS tallies  
all those back nine rallies  
so be sure to keep a record of that cash,  
they're watching!

You're the best, Walter!  
Surely we've been blessed, Walter!  
Take a break and get some rest  
Claim that seventh inning stretch  
You're a downtown champion this year

So long, Walter  
Thanks a ton, Walter  
You say "Life is Good" and surely that is so.  
Imagine peace, Walter  
Discord cease, Walter  
A community where all can profit, live and grow!

Those Commodores, Walter  
What's in store, Walter?  
Will they make it to the Final Four again?  
Here's hoping!  
Never fear, Walter  
This could be their year, Walter!  
You made us proud,  
We hope you know  
Gee, we hate to see you go  
You're the best, win, place or show!  
Life is Good!

We will offer equine demonstrations, a tour of the farm, time to spend with some KHS puppies, and provide a spot to have a picnic with your fellow Rotarians and their families. We will have Kingsley's BBQ, delicious sides and light cocktails.
