

Rotary Club of Louisville

Note from President Kevin & Meeting Recap

District Governor Tom Reed, Jr. spoke to our club at last week's luncheon. Tom effectively grew up in the Rotary Club. His father, Tom Reed, Sr. was the youngest District Governor in District 6710 ever, at age 39 in 1962. He served as District Governor for a second time 10 years later. Tom Sr. was also a Director of the Rotary International Board in Evanston (1984-1986). Tom Jr. began volunteering and getting involved in Rotary Club activities at an early age. He's held all kinds of positions over the years.

Ryan Quarles, Agriculture Commissioner of Kentucky, spoke this Thursday; I look forward to watching the recording and providing a recap on Monday. Thank you to President-Elect Lori Flanery for presiding in my absence.

Next Week's Meeting - Nikki Lanier, CEO Harper Slade Racial Equity Advisory

Next week's meeting on Thursday, October 12 at the University Club will feature **Nikki Lanier, CEO of Harper Slade Racial Equity Advisory.**

"The Genesis of Harper Slade and Our Focus on Racial Equity"

By 2045, Black people and Hispanic people will make up the majority of the available workforce and the majority of our citizen body. We cannot sustain a civilized society when the majority of the people who inhabit it continue to have episodic and highly contextualized access to the American dream. While we advance racial equity strategies in the workplace, we must also advance the same ideals and belief systems outside of work.

RSVP [HERE](#) by NOON Monday, October 9th.

The menu will be pot roast with rice and cornbread; a salad with grilled chicken as well as a vegetarian/vegan and/or gluten-free option is available upon advance request.

There is a \$5 meeting fee for those who choose not to purchase a meal - this will include a dessert and tea/coffee/water and, of course, a fantastic program. You can pay \$5 in advance via SurveyMonkey or with cash, check or scan the QR code at check-in to pay with a credit card.

Note from Delene

First, my apologies for getting the newsletter out so late this week. It is a challenge to take a vacation and still get everything done timely!

To complicate matters, there was a nationwide glitch with the autopay feature in the QuickBooks software that resulted in none of the charges being processed automatically this month. Unfortunately, they will all have to be processed manually. If you received an email that your payment didn't go through, please click the "Try Again" button in the email. I'm told the issue has been resolved now and automatic payments should resume on November 5th when the next round of invoices generate. I regret the inconvenience.

I believe this is the most packed Sparks I've produced - there is a LOT of new information here that I hope you will take the time to read. A couple of things that **need immediate attention**:

1. Please join me on Monday to support our Western High School [INTERACT Club blood drive](#)
2. Please [register NOW](#) for our Rotary Day at Bernheim; we have to provide the final headcount on Monday

I encourage you to consider attending the [Rotary Leadership Institute](#). It is a series of fast-paced, interactive courses offered to refine a Rotarian's leadership skills and increase their base of knowledge in Rotary. Courses are fun, topical, interactive, and geared toward busy business and professional persons who want to be more effective leaders in their vocation and club and more knowledgeable Rotarians. RLI is designed so that Rotarians can use the content they learn and the connections they make in all aspects of their lives—Rotary, career, family, friends, and community.

I am registered for these online sessions offered by District 6040 and would love to have you join me if you are interested.

RLI Part I – First Half: November 14, 6:30 - 9:00 PM
RLI Part I – Second Half: November 21, 6:30 - 9:00 PM

Participation on both nights is necessary to be credited with completing RLI Part I. The RLI fee is **\$30** per participant, per RLI Part. Please contact me if you want to learn more or visit <https://rlihoa.org/> to see other upcoming sessions.

Repair Affair Service Project: October 13

By Larry Sloan

One of our favorite Rotary service projects is coming up on Friday, October 13. This will involve yard cleanup and perhaps painting a deck; more details later. You will be helping beautify and fix up an elderly and perhaps disabled homeowner's property. Tools will be provided or you can bring your own! Save the date and let me know if you would like to help. It is a fun project!

We need a Project Manager, so if you would like to offer your management skills for this project, they will be gladly accepted! Contact larry.sloan@yahoo.com or

West Louisville's 7th Annual Economic Mobility Summit

"Light The Way Entrepreneurial Excellence Awards"

Friday, October 20, 2023, at 4:30 PM: Grow Your Business Networking Mixer
Networking Opportunities • Business Showcase • Vendors/Resources • Awards Presentation

• **Keynote Address:**
The Summit commences with Rev. Vincent James, President/CEO of Dare to Care, illuminating the path to overcoming food insecurity in economically distressed communities.

Light The Way Award
The 3rd Annual Sam Watkins, Jr. "Light The Way Award" is a custom designed out of hand riveted antique copper simulating the lamp post era of Old Walnut Street. A golden "Fleur-de-lis" is centered in place of the light ornament.

The Golden Fleur-de-lis
The Old Walnut Street's "Fleur-de-lis" symbolizes its French origin as a lily flower meaning "Life, Perfection, and Light." Considered a Christian Catholic symbol, Charles V commanded the creation of the French fleur-de-lis in 1376, in honor of the Holy Trinity.

One Who "Lit The Way"
In 1996, Louisville's own-Muhammad Ali "lit the way" with the Olympic torch during the Summer Olympics in Atlanta, GA. Known throughout the world as "The Greatest," Ali "lit the way" for many other Louisvillians who, like him, were raised in Louisville's west end.

Edison "Lit The Way"
In 1866, Thomas Edison moved to Louisville to work for the Western Electric Company and 13 years later, "lit the way" to perfect the world's first incandescent light bulb on October 22, 1879. This was right after his Edison Electric Company became General Electric.

• **Sam Watkins, Jr. "Light The Way" Entrepreneurial Excellence Awards:**
The Summit will conclude with the 3rd Annual Awards ceremony honoring exemplary local Black entrepreneurs in six distinct categories, followed by a business networking reception.

Behind the Scenes with Coach Kenny Payne: October 23

Rotary Club of Louisville has a very special invitation to go behind the scenes of Cardinals basketball on Monday, October 23. **Coach Kenny Payne** has invited Club members to watch practice and then he'll speak with our group and answer questions. This is an exclusive invitation and there are some strict parameters around our visit. Only 100 people may attend practice; please RSVP [HERE](#). We must all arrive and enter at the same time; latecomers will not be admitted. Our group must be quiet during the practice so as not to distract the players. The coaching staff also advised there may be some cursing at practice.

Please be parked by 3 pm in order to walk to the practice facility. Carpooling is suggested. (Please note: UofL Basketball does not own the lot adjacent to the practice facility. Do not park there.)

Practice Facility: 2432 S Floyd St., Louisville, KY 40208

Arrive by 3:15 pm. Our group will be admitted once. If you arrive after 3:30, you will not be permitted into practice.

World Polio Day: October 24

October 24 is World Polio Day. We have made tremendous progress since the Global Polio Eradication Initiative was launched. But even just one case still represents one child's life forever changed by polio. That's why Rotary members must remain tenacious and keep our promise: We won't stop until we know that no child will ever again experience the paralyzing effects of polio.

Ernie Camentz Achieves PHF +8

By Delene Taylor

I was delighted to have the opportunity to visit with long-time Rotarian **Ernst Camentz** during my recent trip to Florida. He lives in Delray Beach, which was about 20 minutes from where my daughter and I were staying. Ernie is in better health and has a sharper memory than most people I know, and it was such a pleasure to spend some time with him and hear his stories and insights.

I presented him with his PHF +8 pin - you can watch the video [HERE](#). You can hear his remarks [HERE](#). We will share these videos at a meeting during Rotary Foundation month in November as well.

Thank you Ernie for your long-time membership and ongoing generous support of our Club and The Rotary Foundation!
