## Club of Louisville

## A Note from Delene

I must say that earning a CPA license and spending 30+ years in the accounting industry did not lay the proper groundwork for coordinating high profile events at convention centers with 300 people in attendance plus full media coverage, LOL. That said, I think we are going to have a fantastic meeting on Thursday and gain some great visibility for our Club and the new West Louisville Housing Initiative! If you have registered to attend and can arrive by 11:30 to help greet guests, please let me know. Note that we are almost at capacity, so please do not show up (even if you aren't planning to eat) without checking with me first.

We originally planned to provide a Zoom option for the State of the City address, but due to an unanticipated circumstance, will not be able to do so. However, the Mayor's team will be streaming the meeting LIVE at noon on [Louisville Metro TV](#) and [Mayor Fischer's Facebook page](#). They have also agreed to make the recording available to us.
