December 16, 2021 Meeting - A Christmas Experience with the Trip J Band

Trip J Band is a band of brothers: Jeriel 14 (keys), JB 13 (bass) and Jet 10 (drums). Mostly known for their street performances at the Big Four Bridge at Louisville Waterfront Park, they recently went viral via Twitter and Instagram with nearly 500,000 views. With clean looks, smooth grooves and shockingly good talent for their age, they have played their way into many hearts. Their mission is to perform fun live music as a platform to bring positive change to the lives of others all while building the band into a business and household name.

If you are interested in attending the in person meeting, email rotary@rotary45.org to see if there are seats/meals available. If you already RSVP'd, but your plans change prior to the meeting, please let me know so that I can offer your spot to someone else.

If you feel led to share a small token of personal appreciation for our food service staff (which we will present to them on Thursday), you may [contribute HERE](#) - just change the quantity via the dropdown arrow to increase the contribution amount (if you are on a mobile device you may need to click "Details" first. You are also welcome to bring cash to the meeting.

If you wish to participate via Zoom, you can register in advance here:

Rotary Year-End Giving Opportunities

Members of the Rotary Club of Louisville are part of the world's largest humanitarian organization. Dedicated to causes that build international relationships, improve lives, and create a better world by supporting peace efforts and ending polio, Rotary continues to make a tremendous impact globally and in our local community. This holiday season, please include the international Rotary Foundation and our local Rotary Fund of Louisville (directly affiliated with our Club) in your year-end giving plans. Click "**Read More**" below for information on ways to contribute. It is your generosity that helps make possible Rotary's tremendous impact for good.

Volunteers Needed for JA Project at Valley HS / Rotary NAACP Collaboration

As part of our Community Impact Committee work, Louisville Rotary and the NAACP of Kentucky are challenging 9th grade students at Valley High School to come up with ways that we can connect with the young generation. We want to help them understand the valuable work our organizations do - and you can be part of this exciting effort! We are working with a new real-world case-based education model pioneered by Junior Achievement which is proving effective in transforming schools. Only two school systems were chosen to roll out the model this year: Los Angeles Public Schools, the largest system in the nation, and JCPs, beginning with Shawnee and Valley High Schools and implementing at Iroquois in 2 years.

We need volunteers to help present Rotary to the students, suggest methods, and judge the work of the student teams during January and February 2022. The final product of this work is a 3-5-minute presentation outlining how the NAACP and Rotary can encourage new interest and membership with a younger generation.
