Rotary Honors Scholars Program 2021-22

By Walter L. Kunau Jr.

Can you volunteer for your time and expertise to support our Rotary Honors Scholars at Western High School, Iroquois High School and/or the Western High School students attending Early College at Jefferson Southwest Campus this year? This is our Signature Service Project. Rotarians and Community Volunteers are ready to get back in our schools to visit our scholars. Please wear a mask.

We will supply you with our newly update Rotary Honors Scholars Mentoring Manual - Thank you Linda Bartram-Moore. Our Rotary Honors Scholars look forward to a year of life skills coaching too! Questions - ask me! Walt Kunau wkunau@bellsouth.net. We need at least 15 mentors. Will you please help?

The next dates are:

Wednesday, October 6 from 7:40 - 9:15 at
Iroquois High School 4615 Taylor Blvd, Louisville, KY 40215

Friday, October 8 from 8:15 - 9:00 at
Western High School Early College Students @ Jefferson Community & Technical College Southwest

The relationships you build are important to our scholars and to you. Tommy Sturgeon talks about his experience with one of our scholars: *I took my family to Kentucky Kingdom recently and was happy to run into one of our now-graduated Rotary scholars, David. It was great catching up with him. He's now attending school to be a teacher and is even student teaching. I loved introducing him to my wife and three children, and I reminded him to keep in touch with Rotary. Our connections do not stop on their graduation. These little connections and touchpoints make a difference and reinforced to me why this program is special. We are creating relationships, providing opportunities, and these young people are so appreciative that we take an interest in them. What they don't realize is that I probably get more out of it than they do, as, for example, seeing David happy and successful filled me with joy. Just thought I'd share!* Best, Tommy Sturgeon

This week we met at Western High School with our Early College Scholars. We worked with our scholars and everyone was happy to be together again - masks and all! Thank you Rotarians.

KY Honor Flight - Wednesday, October 20, 2021

This is the first (and perhaps only) 2021 Honor Flight for Kentucky and Southern Indiana area veterans of WWII, Korea and Vietnam.

Several Rotary club members regularly volunteer in the Ground Crew for these flights under the direction of Bill Brundage, owner of Brundage Jewelers. Crew members greet and assist the arriving veterans and their families to check in between 5 am to 6 am. Donuts, bottled water and coffee are offered before they board the chartered

airliner for a departure around 7 am.

Upon arrival in Washington DC, charter buses with police escorts take them to visit the various war memorials and the Arlington Cemetery. This includes stops for lunch and group meetings with some of

our elected officials. They return on the same charter flight in early evening, usually arriving back to the Louisville Ali Intl airport between 9pm and 10 pm.

Ground crew volunteers are waiting upon their arrival to assist the vets as they deplane and to escort them through the airport. Then they are reunited with their families and friends who line the corridor on the west end of the second floor of the terminal to cheer and thank them for their service. There are usually several hundred people there, including many veterans, patriotic singers and bagpipers joining in the reception to welcome them home. It is a very emotional experience for the vets, their families, well-wishers and all of the volunteers who assist the vets in checking out and departing for home.

If you have questions or are interested in volunteering for training as an Honor Flight Ground Crew member and joining either (or both) the morning or evening shifts, please send an email to the co-chairs for this flight:

Sophia Fischer, Sophia.fischer@nm.com

-or-

Jerry Martin, gerald@riverhillcapital.com

Charlie Oberst has participated in a previous honor flight, and he welcomes any questions about his experience if you want to give him a call (502-553-6476).

Thank you, on behalf of the Rotary Lifeline Committee - Larry Sloan, Chairman.

Louisville Knot Sign Project Turnout

Our club was instrumental in the installation of a community landmark known as the Louisville Knot sign located at the corner of 9th & Main Street. We had a great turnout and gave it a quick wash and wipe down, pulled a few weeds, and enjoyed the sounds of the 70s.

Rotary Ice Cream Social Pictures

We had our Rotarian Ice Cream Social on Saturday, September 25. Everyone was so hungry after all the efforts from cleaning The Knot!

Kevin Fields provided the location at Louisville Central Community Center. Calories were consumed and laughs were heard throughout the halls! Thanks to Kevin for sharing his beautiful facility with us.
