Club of Jackson-Old Hickory

August is Membership and Extension Month

August is Membership and New Club Development Month, when Rotary Clubs around the world focus on membership in Rotary. Rotary leaders say that membership growth is essential for Rotary's survival, and some suggest that clubs can thrive by seeking new members, retaining current members, and sponsoring new clubs.

Some ideas for celebrating Membership and Extension Month include:

- Inviting friends and business associates
- Sharing on social media - Use the hashtag #WeAreRotary to post photos of club members at work in the community or abroad.
- Changing your profile - Use the "I'm a Proud Member," "I'm a Proud Rotaractor," or "I am a Proud Interactor" graphic on Twitter and Facebook
- Sharing successful strategies - Exchange ideas about membership strategies that have worked well in your community

Weekly Newsletter Highlight: Speaker Spotlight

Community and Economic Development throughout the Greater Jackson Area

Speaker: Lindsay Dawkins

The Jackson Chamber's mission is to develop and maintain an economic climate that creates and retains jobs and enhances the quality of life for all citizens of Jackson-Madison County and West Tennessee.

Joining the Jackson Chamber and retaining your membership could be one of the smartest business decisions you'll ever make. By investing in the chamber, not only do you commit to the growth and success of the community, but also to the future success of your own business. As part of that investment, you immediately have access to the resources, contacts, and networking reach of over 1,000 chamber members.

For more information about joining Jackson's most active business organization, connect with Cameron Hansbrough at 731-423-2200.

Red Sand Project continues to bring awareness to ongoing issue

MCNAIRY COUNTY, Tenn. – Organizations around West Tennessee continue to raise awareness of an ongoing issue.

Red Sand Projects continue just about everywhere, including McNairy County. Many people gathered at the Robert K. Lee Justice Center Thursday morning to participate in this ever-growing event.

Designed to shed light on human trafficking, the Red Sand Project accomplishes this by pouring red sand into pavement or sidewalk cracks.

Rotary Club of Jackson-Old Hickory Shines at Rockabilly™s Game

Rotarians came out in force for the Monday, July 29 game between the Rockabilly™s and the Thrillbilles at the Ballpark at Jackson. With enthusiasm and a sense of community spirit, we greeted fans as they entered the stadium, showcasing our commitment to service and camaraderie.

Our public image received a significant boost with a well-decorated table and displays, proudly highlighting our Rotary stories. The setup was a hit among attendees, sparking conversations and interest in our mission.

We were also honored to enjoy the game from the comfort of the Rockabilly™s club suite. Whether in the air-conditioned interior or on the balcony overseeing the stadium, it was a memorable evening for all involved.

Thank you to everyone who participated and made this event a success. Let's continue to share our Rotary spirit and engage with our community.

Preparing for the District Governor™s Visit

Preparing for the District Governor's Visit

We are excited and honored to host our District Governor of Rotary District 6760, Darrell, on September 9. But what does that mean? How do we prepare? Understanding the significance of this visit and making the most of it is crucial. The District Governor's visit is an opportunity for our club to showcase our achievements, discuss challenges, and align our goals with the broader Rotary mission. It involves thorough preparation, active participation, and thoughtful follow-up to ensure a productive and impactful interaction.

Rotary District Governor and AG Official Visit Protocol

The Rotary District Governor and Assistant Governor (AG) play crucial roles in supporting and guiding local clubs. Their official visit protocols include:

1. Preparation: Clubs should prepare by reviewing goals, achievements, and challenges.
2. Agenda: The visit typically includes a club assembly, board meeting, and regular club meeting.
3. Engagement: It's essential for club members to engage actively, ask questions, and share feedback.
4. Follow-Up: Post-visit, clubs should implement discussed strategies and maintain communication with the district team.

For detailed guidelines, refer to the official document [here](#).
