Speech Contest, Tuesday, February 18

Guest: Local students

What is the Rotary Four Way Test speech contest for high school students?

Students give a 5–7-minute speech that illustrates the Four Way Test of Rotary International and how it applies to their lives, activities, goals, and/or interests. The Four Way Test of the things we think, say or do is: (1) Is it the TRUTH? (2) Is it FAIR to all concerned? (3) Will it build GOODWILL and BETTER FRIENDSHIPS? (4) Will it be BENEFICIAL to all concerned?

The purpose of the speech is to apply the principles of Rotary International's 4 Way Test to a current ethical issue. Students are challenged to identify a topic they feel passionate about and to adopt a point of view from which they will seek to persuade others. It should be something from the speaker's personal experience or general knowledge. There are no restrictions regarding the choice of topic as long as it is not blatantly offensive.

Each part of the Four-Way Test should be addressed during the speech. They should be specifically stated, as the intent of the speech is to use the 4 Way Test to resolve an issue. Each part could be used to prove either a positive or negative point.

The winner will go on to compete in the District Contest.

Contestants' speeches will be scored 50% on Content (this includes 20% of the total score addressing the specific points of the Four Way Test), 30% on Organization, and 20% on Delivery. The speech must address each of the Four Way Test questions in a way that relates to the life of someone 14-18 years old. The speech must be original work, and not previously used in a UIL (or other) competition. Note cards are allowed. Speech cannot be read.

Chicken stir fry with veggies and rice. Big Asian salad with oranges and almonds. Chef's choice dessert.
