Volume 23, Number 10

**September 13 Meeting**

**Andrew Leanze  
Director Emergency Management & Homeland**

**As director of EMA Andrew spoke primarily about storm threats in the Golden Isles. Most tropical cyclones that reach here are categorized as tropical storms. The main threat is from 6/1 to 11/30. EMA monitors tropical systems closely during this time frame. There have been 134 hurricanes that have hit the Georgia coastline. Andrew**

**emphasized both the dangers of these storms and the need to make preparations, have a plan and build an emergency kit.**

**One of the problems aside from wind is storm water. It is dangerously contaminated and only 4" can wash a person away. 12" can wash a car away.**

**Some of the items recommended in a kit include water, gas, Meds, pet needs, a NOAA weather radio, and a charging device. Make sure to copy all critical documents. Glynn County also has a Need a Ride program to help evacuate people during an emergency. There is a lot of additional information on the Glynn County EMA website including registration for Code Red notifications, Need a Ride Evacuation form and preparedness tips.**

**September 20 Meeting**

**Jon Stevenson
