MATERNAL AND CHILD HEALTH MONTH

Rotary makes high-quality health care available to vulnerable mothers and children so they can live longer and grow stronger.

We expand access to quality care, so mothers and children everywhere can have the same opportunities for a healthy future. An estimated 5.9 million children under the age of five die each year because of malnutrition, inadequate health care, and poor sanitation – all of which can be prevented.

Make a Difference: Join a Committee Today!

Make a Difference: Join a Committee Today!

As we continue to embody the spirit of "Service Above Self," we invite you to consider joining one of our dynamic committees. Your unique skills, passions, and dedication can play a pivotal role in creating positive change within our local community and beyond.

Our committees are the heartbeat of our club, and they allow us to focus our efforts and expertise on specific areas that matter most to us. Whether you're passionate about youth development, community service, international projects, or professional networking, we have a committee that aligns with your interests.
