## NOVEMBER 21, 2022 MESSAGE FROM THE DISTRICT GOVERNOR

Fellow Rotarians,

As we approach Thanksgiving this week, I began to think about what message I would bring to you and came across some quotes regarding Thanksgiving that I thought related to us as Rotarians and would be meaningful for all of us.

- “Thanksgiving after all, is a word of action.” – W.J. Cameron

As Rotarians, we are people of action. We are thankful for what we have and the communities we live in, and we give back to not only our own communities, but also to our international community by being people of action

- “If you are really thankful, what do you do? You share.” – W. Clement Stone

We share our Rotary experience by inviting others to join our Rotary Family and help make our communities a better place. We practice our motto “Service Above Self”

- “As we express our gratitude, we must never forget that the highest appreciation is not to utter words but to live by them.” – John F. Kennedy

We do this as Rotarians by striving to live our lives by our Four-Way Test of the things we think, say, or do.

- “Gratitude makes sense of our past, creates peace for today, and creates a vision for tomorrow.” – Melody Beattie

Our Rotary Theme this year, “Imagine Rotary” allows us to do this. We show gratitude by honoring our past Rotary history, keeping to our core values as Rotarians today, and envisioning what Rotary can be in the future.

I have tried to remember to celebrate the little things in life and be thankful for the big ones.

I want to extend my gratitude to all of you and what you do for Rotary. My sincerest wish to all of you and your families to have a joyous Thanksgiving Holiday!

Yours In Rotary Service,

**Cliff**
