## DECEMBER 19, 2022 MESSAGE FROM THE DISTRICT GOVERNOR

Fellow Rotarians,

I must admit that at this time of the year, I always get a little nostalgic about things. As I reflect on how fortunate I am to live in a country where I enjoy the freedoms we enjoy and how blessed I am to practice whatever religious beliefs I may have, I cannot help but to think about those who do not have these freedoms. My family has been truly blessed. I am reminded that it is important to share in my good fortune with others who are not as fortunate.

No matter how you celebrate your holidays, I hope you will share in the holiday spirit by living by the Rotary motto, "Service Above Self".

From my family to yours, I wish you a wonderful holiday season and happy and healthy New Year!

My sincerest thank you for all you do for Rotary and the communities you serve.

**Cliff**

## DISTRICT UNVEILS NEW WEBSITE!

You may have noticed a new look to our website. We encourage you to check it out. If you click on the various headings you will find many resources available to you. DACdb is accessed by clicking on the District Database Login button. Ed Gossett, who worked with DACdb folks to make this available, does have one caveat:

There is a disclaimer on some sections that due to the new configuration by RI, members would need to click on a link/Learning Center (opens in new window) then minimize window (this would load the members personalized ID token) then they can use the links in the resource section otherwise they will not function properly. Nothing can be done as this is a RI setup but a workaround for us. If you have questions or issues, please feel free to reach out to Ed by email: [getedg@gmail.com](mailto:getedg@gmail.com).

Many thanks to Ed for the time and energy in putting this all together!
