Another Successful Carnival Fund Raiser!

Enjoy these scenes of last week's spectacular Carnival!

Jim Satterwhite Memorial Water Well Completed!

The villagers of Amarín in the Seroti state of Uganda raise their water containers in celebration of their new water well. 800 to 1,000 people will benefit. Nicely done!

Here are a few final images showing the casting & installation, well inscription and delivery of the jerry cans/celebration. The well has now been authorized at both the district and national level. The well was successfully completed on May 15th. An image of the Well Sustainability Team at the well is also included. Notice the joy on their faces! This picture also nicely shows the fence they built around the well to protect it from animals. Nicely done!

The 4-Way Test: Of the things we think, say or do
1. Is it the TRUTH?
2. Is it FAIR to all concerned?
3. Will it build GOODWILL AND BETTER FRIENDSHIPS?
4. Will it be BENEFICIAL to all concerned?
