What is "ZONE" by PDG Diane Fejes

In general:

Rotary's regional leaders for each Zone include five roles: regional Rotary Foundation coordinators (RRFCs), Rotary coordinators (RCs), Rotary public image coordinators (RPICs), endowment/major gifts advisers (E/MGAs), and End Polio Now coordinators (EPNCs).

Regional leaders use their expertise to support The Rotary Foundation, advise and strengthen clubs and districts, amplify Rotary's humanitarian efforts, and enhance public image and awareness. They work with district leaders to connect members with resources that support Rotary's goals and increase its impact in communities around the world. They also serve as facilitators at Rotary institutes, governors-elect learning seminars, regional and zone seminars, district learning events, and other events when asked. Appointed by the Rotary International president or The Rotary Foundation trustee chair, regional leaders serve three-year terms subject to annual review. There are 39 teams of regional leaders worldwide, each led by a director with support from an assigned trustee.
