

Rotary

Club of South Cowichan (Mill Bay)

Call Out for a Work Party - July 8, 2023

Friday, July 7, 2023
???????

A work party is planned for Saturday July 8, 2023 to prepare the cook cart for the summer.

Good Afternoon Fellow Rotarians and Friends of the Club,

At our in-person meeting this past week - July 5th - we learned that the plan is to relocate the Rotary Cookcart to the Grounds of the Cobble Hill Hall. Tomorrow a workparty is scheduled to clean, prepare and test the cook cart for a busy summer season of events.

The following volunteers signed up to participate between 9:00 - 11:00 am:

Hilary A
Leslie G
Louise P
Gay W
Glenn T

If you are inclined to join us - please drop by. It's always a grand opportunity to share in some fellowship. I believe Gerry Giles agreed to have the coffee on.

Some members and friends of the Club may not have received notice about last Wednesday's meeting - as your scribe is a little technologically-challenged. I apologize for this - as our guest speaker was most interesting.

Marina Musleh, a young Afghan girl, fled her home country, leaving behind her parents and four younger siblings, to pursue her ambition to finish high school. Through support offered by Women Leaders of Tomorrow (WLOT) and Shawnigan Lake School, Marina heads into her graduation year at Shawnigan this fall. After completing university - Marina plans to return to Afghanistan, where she intends to "fight the Taliban with knowledge and education".
