May 14, 2025 Meeting

Desiree Lindgren and Osiel Rivera are joining us this week to tell us about Cash Mob, a monthly program run by Desiree, Osiel, and Janae Villa-Miranda. On the third Saturday of each month, participants meet at a coffee shop such as Tinderbox. Once everyone has their caffeine, the "secret shopping location" is announced. Participants don't know where they're headed until it's announced. The only rule is to bring a \$20 bill, and spend it at the local small business selected for the month.

Desiree and Osiel will share more about how the program has been going since they took over, how locations are selected, and how you can get involved.

Our Donated Lunches Make a Difference

Did you know that the unpurchased lunches remaining after our weekly noon meetings are delivered by Patrick to Friendship House - the woman's shelter? We have received a card from them saying, "To the Aberdeen Rotary Club, I would like to thank you for your kindness of donating the extra lunches to the Friendship House. We truly appreciate you. God Bless you all. (signed) Colleen and the ladies from the Friendship House. It's good to know we help our neighbors in small as well as larger ways. Thank you, Patrick, for all you do to support Aberdeen Rotary and our community."

Aberdeen Rotary is currently looking for host families for the 2025-2026 school year. Hosting is a rewarding opportunity to share your family, community and learn about another culture. Commitment is 3-4 months. Message Kati or Josh for more information!

Update on meetings in search of a program...

Sydney is still booking programs for June, and is looking for preferred locations for "Rotary on the Go" events. Sydney will happily accept any ideas or suggestions on what programs YOU want. If you know an individual or organization that might be an interesting noon meeting program, [email](#) Program Chair Sydney Swor with your idea (or better yet make contact with the prospective speaker and then pass it to her to coordinate). Please include name, topic, and any descriptive information.

You can find out what dates are already scheduled by going to the Ignite app calendar, our website, and in this newsletter.
