Volunteers needed for Lions Club Vision Screening

It's time to start thinking about Vision Screening again and there are 13 different locations already scheduled.

The first of these is at the Wellness Fair at Summit Pacific Hospital in Elma on **Saturday, Sept 14th starting at 10 AM**. This venue is more about getting public exposure than serious vision screening but no less important. This year will be the fifth year of participation in the Wellness Fair. Erv and Phyllis Granahan will be there and volunteers are welcome. This is an excellent time for Aberdeen Rotarians to review the vision screening process and get a refresher on operating the camera or getting experience with keeping records. Even if you can just drop in and spend an hour or two will be fine.

Vision screening at schools is scheduled:

Tuesday, Sept 17th @ 9AM Adna Elementary in Lewis County, another camera operator is needed. .

Tuesday, Sept 17th @ 1PM Boisfort Elementary in Lewis County. The same team as Adna will go to Boisfort after lunch (1 PM),

Tuesday, Sept 24th @ 9 AM Quileute Elementary.

Thursday, Sept 26th @ 9 AM Winlock Elementary, Need a camera operator.

Thursday, Sept 26th @ 1 PM Napavine Elementary, same team as Winlock will do Napavine in the afternoon, with the Napavine Lions helping.

Thursday Oct 10th @ 9 AM Morton Elementary, Will need a camera operator.

Thursday, Oct 10th @ 1 PM same team will move to White Pass Elementary (Randle) in the afternoon.

Shelton schools are scheduled for November 12th, 18th, 19th & 21st. We work with the Shelton Lions on this project (who do hearing while we do vision) but will need a camera operator and a Kid Wrangler for vision screening.
