Sam Kim is the new Grays Harbor County Administrator and brings a wealth of experience and a strong commitment to public service.

Mr. Kim has held senior executive positions at Washington County, Santa Clara County, Clark County, and most recently, the Washington State Employment Security Department. His leadership experience is complemented by his time as a U.S. Navy officer and his service as a commissioned sheriff's reserve deputy and planning commissioner. Additionally, he has served 16 years as an elected official, which has given him a broad perspective on public administration and governance.

Mr. Kim's academic credentials are equally impressive. He holds a Master of Science in Engineering from the University of Pennsylvania, an MBA from the University of Washington, and a Bachelor of Science in Chemical Engineering from the University of Washington.

## HURRICANE HELENE DISASTER RELIEF EFFORTS

Message from Zones 33 & 34 Director Patrick Eakes  
Friends:

I appreciate your concern and prayers as communities across zones 33 and 34 try to survive the next few days before starting the long recovery following Hurricane Helene.

We have established a fund where those who would like to assist recovery efforts by making a donation can do so via online payment, mailed check, or wire transfer. Information to make a donation is at <https://www.rizones33-34.org/>

disaster-relief/ Our zonesâ€™ organization is a 501(c)(3), so donations are generally tax-deductible, although Beth would be very upset if I didnâ€™t add the caveat that donors should check with their tax advisors.
