**Aberdeen Rotary Reader Program**

Aberdeen Rotary Foundation is re-energizing the Aberdeen "Rotary Reader" program for this school year. The program focuses on supporting literacy in the five Aberdeen elementary schools.

Our first step is scoping the program to align with needs and interests at each elementary school.

Get involved! Please reach out to Travis Hoppe at 360-580-1143 (or [aberneenrotaryfoundation@gmail.com](mailto:aberneenrotaryfoundation@gmail.com)) and join the Rotary Reader team. This is the latest chapter on our literacy project, whose previous chapters included the Dictionary Project and SSRF BookMobile book giveaway. We are aiming to put books in kids' hands, get them excited about reading, and grow their reading skills as a foundational tool for their future success and self-sufficiency!

We will:

- Hold conversations and brainstorm with the principals and librarians at our local schools,
  - Build our plan for school year 2024-25, and beyond ??
  - Implement the plan with our partner South Sound Reading Foundation

**Update on meetings in search of a program...**
