Rotary Response to Wildfire Disaster Relief

In the face of such immense tragedy, Rotary's spirit of service and compassion becomes more vital than ever. Rotary District 5280 and 5300, located at the heart of the affected region, has issued an urgent plea for assistance. The district is working tirelessly to provide relief to those impacted, but they need our support to meet the overwhelming need.

The immediate priorities are providing shelter, food, clothing, and emotional support to displaced individuals and families. Beyond that, the rebuilding of lives and communities will require sustained effort and resources. This is where you, your club, and your district can make a profound difference.

Donations, no matter the size, will help provide the critical resources necessary to support these relief efforts.

In moments of tragedy, the strength of our collective action defines us. Let us stand united, extending a helping hand to those who need it most. Together, we can help these communities recover, rebuild, and rise above this crisis.

Laura Enjoys Disneyland with other RYE District Students

Our RYE student Laura traveled to California with the rest of the District contingent. They enjoyed their visit to Disneyland immensely.

We still need one additional volunteer!

Aberdeen Rotary Foundation is re-energizing the Aberdeen "Rotary Reader" program for this school year. The program focuses on supporting literacy in the five Aberdeen elementary schools.

Our first step is scoping the program to align with needs and interests at each elementary school.

Get involved! Please reach out to Travis Hoppe at 360-580-1143 (or aberdeenrotaryfoundation@gmail.com) and join the Rotary Reader team. This is the latest chapter on our literacy project, whose previous chapters included the Dictionary Project and SSRF BookMobile book giveaway. We are aiming to put books in kids' hands, get them excited about reading, and grow their reading skills as a foundational tool for their future success and self-sufficiency!

We will:

- Hold conversations and brainstorm with the principals and librarians at our local schools,
- Build our plan for school year 2024-25, and beyond ??
- Implement the plan with our partner South Sound Reading Foundation

SAVE THE DATE | MAY 30-31 2025

The 2024-25 Rotary Year is all about "The Magic of Rotary."

District Governor, Bill McGregor, is inviting Rotarians and guests to join him at his **District 5020 Conference in Tacoma May 30-31, 2025**, for an unforgettable weekend filled with learning, inspiration, and camaraderie. The conference will be held at the Marriott Tacoma Downtown, located in the heart of Tacoma, Washington, USA.

You'll be able to attend training sessions, listen to nationally-renowned speakers during plenary sessions, and connect with fellow Rotarians from across our District.

In the words of Cal Ripken Jr., District Governor Bill's message to District 5020 Rotarians to "Just Show Up" will be highlighted throughout the conference, encouraging members to embrace your Rotary commitment, dedication, and participation.

Update on meetings in search of a program...

Sydney is officially booking programs for March-May, and she is looking for preferred locations for "Rotary on the Go" events. Sydney will happily accept any ideas or suggestions on what programs YOU want. If you know an individual or organization that might be an interesting noon meeting program, [email](mailto:Sydney.Swor@rotary.org) Program Chair Sydney Swor with your idea (or better yet make contact with the prospective speaker and then pass it to Sydney to coordinate). Please include name, topic, and any descriptive information.

You can find out what dates are already scheduled by going to the Ignite app calendar, our website, and in this newsletter.
