Speaker: Coastal Trio

Subject: Local musicians Debra Akerlund (violin), Leslie O'Brien (viola), and John O'Brien (cello)

October 19th

The Bishop Center for Performing Arts hits the open road with COAST TRIO, which includes local musicians Debra Akerlund (violin), Leslie O'Brien (viola), and John O'Brien (cello). Funded through the Grays Harbor College Foundation, COAST TRIO coordinates school outreach to introduce string instruments and musical concepts to students at all elementary schools (24 total) in Grays Harbor and Pacific Counties. The goal of this outreach is to introduce school-aged children to string instruments and Grays Harbor College in a live concert.

In this program, you'll get to know more about COAST TRIO's outreach and listen to a wide variety of music, which may feature Beethoven, Mozart, a medley of pop tunes (including the Beatles, Lady Gaga, music from movies).

Membership Meeting Information

Lunches will be catered by Jitter House for the month of October. There will be a dozen sack lunches available for \$15 on a first come first served basis. Beverages are \$1.

Next Week's Meeting

The State of Washington has each officially proclaimed that October 24, 2022 shall be World Polio Day for Polio Awareness. This is in recognition of Rotary International's promise to the children of the world to eradicate a vicious disease called Poliomyelitis or Polio.

We'll celebrate World Polio Day at next week's meeting, October 26th. You can direct your contributions to the EndPolio donation link on the [RI website](#), or with the link below. When you use the RI link, you'll have the option to add to your Paul Harris goal. There will be help available at the meeting if you need assistance logging in. Or you can bring a check to the meeting.

If you still want to collect your pocket change, you can certainly do so. We'll have a container available at noon meetings where you can drop it in. This collective contribution will be added to the club goal designated as an Aberdeen Rotary Club donation, and sent to the RI endpolio fund.

For each \$20 donation you'll earn a raffle ticket for drawings. And you'll get an endpolio pin that shows you've joined the fight. Next week we'll start drawing those tickets. You do not need to be present to win.

[Donate Now!](#)

Donate to the Time of the Month Project

This is a reminder of the request made earlier this month when Marion Spence, President of Durban Bay RC presented an overview of the current fundraising effort for young girls in South Africa. Although not a global grant, it is administered through the Skookum Club Foundation.

The project is named "That Time of the Month" and the funds raised are spent 100% on reusable washable sanipads which allow girls to attend school full time instead of missing one week every month because they cannot afford pads. The results are devastating on their education, which is desperately needed to uplift their lives.

If you would like to support this program, you can donate directly to our own Aberdeen Rotary Foundation and it will be forwarded it in your name to the Skookum Rotary Foundation. So far, \$500 has been donated by club
