This week we'll shine the spotlight on our EndPolio campaign and the members who have already donated. Share in the fun as you triple your donation dollars and vie for prizes in our EndPolio drawing.

Rotary and the Bill & Melinda Gates Foundation are renewing their longstanding partnership to end polio, announcing a joint commitment of up to \$450 million to support the global polio eradication effort.

This pledge comes on the heels of Rotary's announcement at the Global Citizen Festival pledging an additional US\$150 million towards polio eradication.

Rotary is committed to raising \$50 million per year over the next three years, with every dollar to be matched with two additional dollars from the Gates Foundation.

You can direct your contributions to the EndPolio donation link on the [RI website](#), or with the link below. When you use the RI link, you'll have the option to add to your Paul Harris goal. There will be help available at the meeting if you need assistance logging in. Or you can bring a check to the meeting.

If you still want to collect your pocket change, you can certainly do so. We'll have a container available at noon meetings where you can drop it in. This collective contribution will be added to the club goal designated as an Aberdeen Rotary Club donation, and sent to the RI endpolio fund.

For each \$20 donation you'll earn a raffle ticket for drawings. And you'll get an

Newest members Jeff Flake and Caara Holliday

Jeff Flake and Caara Holliday have been inducted as Aberdeen Rotary's newest members. Jeff, Aberdeen School District Superintendent, was sponsored by Alicia Henderson. President Nancy Taylor sponsored Caara who owns the Hubble House Inn, Montesano.

Members entertained by Coast Trio

President

Paddy McGuire
Assistant Governor

The members of Coast Trio, Debbie Akerlund, with John and Leslie O'Brian, entertained members at last week's meeting with a montage of classical and contemporary string arrangements. They have been presenting this program at local schools, inspiring students' interest in music.

Donate to the Time of the Month Project

This is a reminder of the request made earlier this month when Marion Spence, President of Durban Bay RC presented an overview of the current fundraising effort for young girls in South Africa. Although not a global grant, it is administered through the Skookum Club Foundation.

The project is named "That Time of the Month" and the funds raised are spent 100% on reusable washable sanipads which allow girls to attend school full time instead of missing one week every month because they cannot afford pads. The results are devastating on their education, which is desperately needed to uplift their lives.

If you would like to support this program, you can donate directly to our own Aberdeen Rotary Foundation and it will be forwarded it in your name to the Skookum Rotary Foundation. So far, \$500 has been donated by club members and the Board has approved a match of up to \$1000.
