Aberdeen Rotary serves Thanksgiving feast at Harbor High School

Aberdeen Rotary served an all the trimmings feast to students of Harbor High. Duffy's Restaurant provided the catering and Sue Larson organized the menu and volunteers. Many Rotarians were on hand to assist with the set up, serve the food, and clean up afterward. The dinner started with tender roasted turkey, carrots, stuffing (tasted like grandma's!) whipped mashed potatoes, gravy, cranberry sauce, rolls, and finished with pumpkin cream pie. Many take-home boxes were packaged from the plentiful supply of leftovers and students were able to take them for other family members.

In prior years the club has donated this special holiday meal to Harbor High students but were unable to do so during the Covid pandemic. It was a joy to once again see the students line up and fill their plates. The steady murmur of thank you's was a touching reminder of Rotary's impact

Rotarians helped organize, serve, and clean up.

A big thank you to the Rotarians who helped make the Harbor High Thanksgiving Feast a huge success. Susan Larson deserves applause for organizing the volunteers and delivering a delicious menu. Helping with food service were Lynn Green, Melissa & Alex Paredes, Candace Juarez, Nancy Taylor, and Jennifer Sturm,

The cleanup crew included Rick Lovely, Rick and Joshua Hole, and Travis Hoppe who also relayed food from the warming ovens out to the servers. Thanks also to Lisa Smith, Derek Schlaht, and Patrick Farwell.

Delta Park

The MG Eldon Bargewell Foundation will be joining Rotary to discuss the development of Delta Park in Hoquiam, honoring Hoquiam native Major General Eldon Bargewell. Bargewell earned many honors during his service to our country, including the Distinguished Service Cross, our nation's second highest award for valor, 6 bronze stars (3 with V for valor and 3 for his service) and 4 purple hearts. Come learn how Delta Park will honor our local hero.
