## November 30, 2022 Membership Meeting

Dear Rotarian,

As Aberdeen Rotary looks to grow its membership, the board would like our current members to consider some additional membership types. Across Rotary, both internationally and within our district, these types of memberships have shown to be beneficial to building a strong and dynamic club. I have also heard from several club members about their desire to recruit members by opening up our membership level opportunities. At our lunch meeting on Wednesday, November 30th, we will be reviewing the proposed membership structure below and we'll be seeking the club's vote to accept the new membership levels and amend the by-laws at our meeting on December 14th.

Currently, our club offers a general membership and honorary membership (by nomination only). Looking forward, the board is asking for the club's feedback on these additional membership types:

- Associate member
- Organizational/business member
- Non-profit member
- Family member

I look forward to discussing this with you on the 30th. We will be meeting in person and via Zoom.

Aberdeen Rotary President

### December 7, 2022 Meeting - MG Eldon Bargewell Foundation - Delta Park

The MG Eldon Bargewell Foundation will be joining Rotary to discuss the development of Delta Park in Hoquiam, honoring Hoquiam native Major General Eldon Bargewell. Bargewell earned many honors during his service to our country, including the Distinguished Service Cross, our nation's second highest award for valor, 6 bronze stars (3 with V for valor and 3 for his service) and 4 purple hearts. Come learn how Delta Park will honor our local hero.
