Aberdeen Weekly Club Meeting: Students of the Month

Speaker: AHS Students of the Month

Subject: AHS Students of the Month

Hugo Garcia Salazar has been named Aberdeen Rotary March Student of the Month. Hugo is the son of Guillermina Salazar and Alexis Garcia.

Hugo described his high school achievements, " I have received awards and been recognized for my involvement within the club such as Grays Harbor Academy Coaches MVP, Grays Harbor Academy League MVP, Grays Harbor Academy Team of the season, Grays Harbor Academy Team MVP. My leadership in school has also been shown through being elected by my peers as Freshman ASB Class President and Senior ASB Class Vice President. I also had the pleasure of being elected as a Business week CEO my junior year."

"I am on the Aberdeen High school's boys' soccer team and I am a big advocate on helping others represent themselves through a sport, specifically soccer. I want to be able to give everyone the same opportunity with no worry about money to play and enjoy themselves whilst playing sports. I, and a few others on the team, have setup a soccer camp for younger kids in the area to show them a healthy sport that they could get involved in. Our goal is to give everyone the opportunity to play and guide kids to a healthier road. We want to show them they are capable of enjoying themselves while having the possibility to open up more chances for them to better their life."

"My post high school plans are either to attend a two-year community college and later on transfer to a four-year university or enroll into a four year straight on. I plan on pursuing a degree in business management and human services and pursue a career anywhere in that field."

Club Banner Contest!

Calling all graphic designers and creatives in the Club. It's time to redesign our club banner and we need your help with ideas. Through the end of the month, you'll be able to submit a design idea for our club banner that will become a representation of our club for years to come. Feel free to get your family and friends involved with ideas too!

Our club banner is a representation of our club and area. Previously, we highlighted the Rotary Log Pavilion on our banner. Other clubs highlight scenery, service projects or state/local flags. You are free to be as creative as you want!

Your design is due no later than 4/17 and will be voted on by the club. Banners are 7" by 9". Your image should be high resolution .ai, .jpg or .png format. For best results, a minimum resolution of 300 dpi is required. For additional information, please read the requirements [here](#).

What is a club banner?

Club banners are primarily used for trading purposes. When another Rotarian visits from another club, they often bring their club's banner as a token of appreciation. Additionally, our club members can bring our banner to share as they visit other Rotary clubs while traveling. Most recently, Solveig brought our club two banners from her sponsoring outbound club in Oslo, Norway when she arrived last July. In May, I'll be bringing our new club banner to the international conference to exchange with Rotarians throughout the world.

I'm very excited to see everyone's ideas and open the voting up to our club to decide the next design!

Together in Service,
Kati
