April 19, 2023 Meeting | On the Road at The Jitter House

Aberdeen Rotary is on the road tomorrow as we hold our weekly meeting at The Jitter House in the historic Bitar Building in downtown Hoquiam. Sam will show us the progress on the new restaurant space and share tales of renovating an historic building. He will also talk about some of the other Hoquiam projects he is working on. Meeting is at the same time and no RSVP is required.

Clean Up at the Log Pavilion

Thanks to everyone who turned out Saturday morning to help with the Log Pavilion Clean Up. Our club held this event to support our district and RI goal in support of global Earth Day. After registration and picking up our new Rotary Club shirts, we started the morning with coffee, juice and doughnuts. Loaded with carbs and gardening tools we pruned, weeded, and groomed the grounds surrounding the building. Some plants still need to be replaced and a committee will begin work on planning.

Support World Immunization Week through Polio Plus

Speaker: YMCA of Grays Harbor

Subject: come hear what programming the Y has been doing in Grays Harbor

May 17th

Aberdeen Weekly Club Meeting 5/17: Big Brothers, Big Sisters

Speaker: Big Brothers, Big Sisters

During World Immunization Week, 24-30 April, join Rotary in advocating for polio eradication and the importance of vaccines. As one of the greatest advances of modern medicine, vaccines are safe, effective, and save millions of lives each year.

Our progress in the fight to end polio is proof that vaccines work. The Global Polio Eradication Initiative estimates that the polio vaccine has saved more than 20 million children around the world from paralysis. However, approximately 12.5 million children are totally unvaccinated. They are known as zero-dose children, and vaccinating them is critical to stopping polio for good.

You can support Rotary's efforts during World Immunization Week when you [donate](#) to Polio Plus and help Rotary and our partners deliver polio vaccines to vulnerable children. Contributions count toward Paul Harris Award and will be matched 2-to-1 by the Bill & Melinda Gates Foundation.
