Support World Immunization Week through Polio Plus

**VACCINES WORK.
THE FIGHT TO END
POLIO IS PROOF.**

**WORLD IMMUNIZATION WEEK
24-30 APRIL 2023**

endpolio.org | #endpolio

Rotary  | 

During World Immunization Week, 24-30 April, join Rotary in advocating for polio eradication and the importance of vaccines. As one of the greatest advances of modern medicine, vaccines are safe, effective, and save millions of lives each year.

Our progress in the fight to end polio is proof that vaccines work. The Global Polio Eradication Initiative estimates that the polio vaccine has saved more than 20 million children around the world from paralysis. However, approximately 12.5 million children are totally unvaccinated. They are known as zero-dose children, and vaccinating them is critical to stopping polio for good.

You can support Rotary's efforts during World Immunization Week when you [donate](#) to Polio Plus and help Rotary and our partners deliver polio vaccines to vulnerable children. Contributions count toward Paul Harris Award and will be matched 2-to-1 by the Bill & Melinda Gates Foundation.

Help Josh with Program Ideas

Do you have an idea for a lunch program? A speaker? A topic? An issue? An organization? There are still a few openings left before the end of the Rotary year.

Call or email Josh with your idea. And remember that you can always check back for available dates by looking at the speakers listed on the website or in this newsletter.
