Now is the time for us to take action and advocate for the eradication of polio. As Rotary members and supporters, we lead the campaign to protect the world's children from this paralyzing disease.

Because you're a member of Aberdeen Rotary, you care deeply about improving communities throughout all of Rotary. That includes addressing global health issues, a vital focus of Rotary's work. With Rotary's partners and members like you, polio cases have been reduced by 99.9% worldwide as we aim to end polio forever.

By donating today to The Rotary Foundation's PolioPlus Fund, you can support vital vaccination campaigns and health care infrastructure to keep communities healthy. Your generosity has the potential to shape history.

Together, we can eliminate this disease and ensure a healthier, happier future for generations to come. To learn more, visit endpolio.org.
