December 06, 2023 Grant Henderson, MD Cardiologist at St Mary's

Aberdeen Rotary is On the Go again this week. Aberdeen School District Superintendent and fellow Rotarian Dr. Jeff Thake will host us in the AHS Community Room where lunch will be provided by the culinary class.

Jeff will provide a general update on the school levy for the Aberdeen School District that goes before the voters in February.

Also on his radar is the upcoming centennial celebration of Miller Junior High. Miller opened on January 28, 1924, at 5th and I Streets and was the first school in the State of Washington designed to serve the "middle" students.

Do you have any Miller memorabilia, particularly related to the opening? Any items referring to special events as well as the opening of the current building in 1979? If so, contact Jerry Salstrom at jsalstrom@asd5.org.

No zoom service is planned for this meeting.

Thanksgiving Dinner at Harbor High

Aberdeen Rotary will provide a Thanksgiving dinner with all the fixings to students at Harbor High on November 15th. Sue Larson is coordinating the event and will be collecting the names of volunteers. Those who wish to serve food will need a food worker card available at the [Washington State Dept of Health](#).

Rotary Action Group Addiction Prevention website link

Larry Kenemore gave a presentation at the previous membership meeting on the Rotary Action Group for Addiction Prevention. As requested, click [here](#) for their website.

Rotary Action Groups help Rotary clubs and districts plan and carry out community development and humanitarian service projects in their area of expertise. The groups are organized by Rotarians and Rotaractors who are proficient, and have a passion for service, in a particular field.

Please share any ideas (or better yet make contact and then pass it over to me to schedule) for programs. It is nice to be booked a few months out which keeps the stress level down and the newsletter full.

Call or email [Josh](#) with your suggestion. The current schedule is listed on the DACdb app, the website and in this newsletter.
