Host a Rotary Youth Exchange Student

Hello Rotarians! We're beginning to recruit for host families for the 2024-25 school year and WE NEED YOUR HELP. Each year, we have three host families for our inbound student for 3-4 months each. Having three host families allows students to experience different family dynamics and promotes global awareness in our own community. As a host family, you'll have the opportunity to learn about another culture firsthand and create lasting connections!

Please take a moment to consider being a host family or reach out to friends and neighbors who may be interested in this rewarding experience. Just about every type of household is an "ideal host family" you can have children, be an empty nester, or a single-adult household. If you have a willingness to share your home & culture with a student, you are ideal!

Hosting with Rotary comes with the full support of Aberdeen Rotary. We have local coordinators and club members ready to lend a helping hand. Students receive a monthly allowance and a cell phone plan. Rotary helps with transportation, hosts trips for the student and can provide backup hosting in the event you are away on a trip.

If you or someone you know is interested in becoming a host family, please contact Josh Steele at joshg.steele@yahoo.com or 360-581-6019.
