Events

Multi-talented native Hoquiamite David Quigg is our program presenter this week. In addition to being one of our RYE parents to Sofi this year, David is the Director of Development at Harbors Home Health and Hospice. He has organized four community outreach initiatives in Grays Harbor. These programs aim to explore the art of graceful aging at home, emphasize the significance of personalized medical care, and join together in celebrating life's precious moments.

Join us via Zoom

If you're not able to attend in person, be sure to check out our hybrid meeting option via Zoom. To join a meeting, click the link below. The meeting will be called to order at 12:20 pm.

Laynie Yakovich has been named the March Student of the Month. She is the daughter of George and Haley Yakovich and ranks 6th in the graduating class of 2024 with a GPA of 3.994.

Laynie exercises her leadership muscles as the captain of the Aberdeen High School Fastpitch team for both junior and senior years. Besides the Basketball Coach's and Leadership Awards, she is also a 6 time Scholar Athlete, Top Scholar, Student of the Month, and Fastpitch Offensive MVP.

"My post high school education plans are to attend either a two year college and transfer to a four year with a dental hygiene program or attend a four year university with a dental hygiene program. My current top choices are Pacific University, Clark College, and Pierce College. I will complete my first two years of prerequisites and then apply for the dental hygiene program and complete my second two years of college in that program."

Keara Burns is the April Student of the Month

Keara Burns has been selected as the April Student of the Month. She is the daughter of Daniel and Diane Burns and ranks 7th in the graduating class of 2024 with a GPA of 3.99. She has been recognized as a top scholar and received coaches and leadership awards.

Keara has been a leader in the SkillsUSA program, serving as vice president for the past two years. She recruits new students to join and helps them prepare for regional and state competitions.

"After highschool I plan to attend Grand Canyon University to major in electrical engineering. During my time in university, I will be a part of the honors college there. I will be taking special courses and doing extra work to get opportunities to study abroad, earn more scholarships, and get connections to companies that work close with GCU. I also plan to work summers as an engineering intern or apprentice to learn more about the field and to get first hand experience on the job site."
