

Welcome To The Rotary Club of Gig Harbor MIDDAY

Serving to Change Lives

We had a great Mardi Gras meeting

From Editor Don,

MIDDAY Rotarians Celebrated Mardi Gras this week with a visit from our upcoming International Exchange student, Liam Bass, introduced here by Youth Services Chair Dan Brown. Liam will be heading to Germany for a one-year exchange program this August. We know he will have an absolutely incredible year.

Also on Fat Tuesday, our own Co-Prez Jill Dabbs and Treasurer Steve Rainbolt picked up a \$2000 load of groceries at WinCo, as a donation to Foodbackpacks4Kids, part of our Community Services Rotary Grant project this year.

Way to go, Rotary Super-Shoppers!

Little Free Pantry program gets a BIG boost!

From Past Prez Lonna,

MIDDAY Rotary's Little Free Pantry program got a big boost from John and Tricia Mulligan on Tuesday. They had heard about our program from Dick Siler and Carol Virak, and thought it was so special that they came to our meeting to make a significant donation. Thank you SO much, John and Tricia.

We also need to thank Dick and Carol for our new mini-pantry donation box, which will be a feature of our meetings from now on. Dick - you are our Pantry Building

Four new members - at one meeting

From Membership Chair Cheri,

Midday Rotary had a BANNER day this week - inducting FOUR new Rotarians on the same day! Well done to Cheri and the Membership Committee...
- Amy and Gregg Larson are joining as a Family. They are recent retirees and are both interested in serving our community. Amy is a Health and Mindful eating coach (we may need her to review our lunch programs) and Gregg is a PhD Clinical Research Doctor. Both are already active at our FISH Food Bank, and Gregg is mentoring homeless youth with Harbor Hope. Welcome to you both.

- Tyler Martindale is an Insurance Agent/owner of our local Farmers Insurance Agency. He's highly interested in Community Service and finding volunteer opportunities in our area. We're very pleased to have you with us, Tyler.
- Maureen Wilson is a recent retiree from Apple where she was a Community Liaison, managing a dozen volunteer programs. She wants to broaden her scope, getting into local, national and even international service projects. We're sure that

Rotary is the right place to do that, Maureen. Welcome aboard!

Join us at our Weekly meetings...

Midday Rotary Meets at: We meet the first 3 Tuesdays of the month in-person at Morso Bistro, 9014 Peacock Hill, Gig Harbor, WA 98335. Our Board meets the 4th week by Zoom. Meetings begin about 1/2 hour before noon, for socializing beforehand.
Time: Tuesdays at 12:00 PM

More new members!

From Membership Chair Cheri,

I'm happy to say that we have two more new Midday Rotarians to introduce this month: Jennifer Littlefield comes to us as a Rotarian who has already served in two previous clubs: Sulpher Springs TX and Santa Monica CA. She is a Real Estate Administrator who has taken a position with Keller Williams West Sound in Gig Harbor. She is very interested in all kinds of Community Service and has previously served as a campaign coordinator for the Leukemia Lymphoma Society. In her spare time she enjoys hiking, kayaking, paddleboarding and exploring our beautiful Pacific Northwest.

Maggie Arnold is a new Rotarian, trained as a Nurse and with skills in Communicating and Networking who wants to join others who are interested in the development of Gig Harbor, with an emphasis on Health and Well Being. She lives in Gig Harbor with her husband, and has 5 adult children. She previously worked with the Pierce County Health Department as a Team Lead for Mass Vaccinations. Her outside interests include paddling with the GH Dragons, pickleball, hiking, welding and art.

Midday Rotary wishes you both a very warm welcome!

From our DEI Co-Chair, Dan Brown,

Our DEI Book Club has read and discussed some fascinating books. This Month's selection will be the topic at our next meeting, which will be on Thursday, December 2 at 1:30 pm by Zoom.

If you're interested, please [email Dan](#) for an invitation to the Zoom meeting.

Diversity, Equity and Inclusion at Midday Rotary

The three Gig Harbor Clubs jointly formed a DEI Committee last year, to examine these issues as they apply to our World in General and Rotary in Particular.

Our Midday presentation on June 1st was from our two "lead" members of that Committee: Dan Wilson and Dan Brown.

Dan Wilson started off with the question: Is Racial justice, Diversity, Equity and Inclusion, a Rotary issue? And yes, all three GH clubs and the KP Satellite club used the 4-way test as basis and, without question all members of the DEI group agreed, yes.

This DEI program featured a video from King 5 TV, Facing Race. It is the story of Shayla Zartman from Gig Harbor, she is the granddaughter of Charlie Zartman, a member of Gig Harbor North Rotary Club. Shayla graduated from Peninsula High. Shayla is the cousin of George Floyd. She watched how police killed her cousin.. After Floyd's death she joined the fight against systemic racism and also realized she fought a battle

within herself: "I wasn't black enough to be black, not white enough to be white ". She told her story of being raised in a multi-racial family, and the awakening she had with Mr. Floyd's death.

Hers is just one story that represent millions of multi-racial Americans struggling to find where they fit, powerless that they can do nothing about the color of their skins.

If you have any doubts about this issue, I recommend you watch their excellent presentation, on our Midday Rotary YouTube channel, right [HERE](#).

I mentioned earlier that our Rotarian Adison was setting us up with Twitter, Instagram and Linked-in accounts. That's in addition to our presence on FaceBook and YouTube which had been up and running earlier. We're now online in all those venues, so whatever your online preference, just search Gig Harbor Midday Rotary to connect with us and share out latest news...

THANK YOU, Adison, for your help!

YOUTH PROTECTION AWARENESS TRAINING

GH Midday Rotarians please note: Only a few Midday Rotarians have completed this worthwhile course, and our goal remains to have EVERY Midday Rotarian so qualified. If you are among the substantial number who have NOT - would you please go to our website and click the link to YOUTH PROTECTION AWARENESS TRAINING?

The course takes just a little time, and is very important to Rotary's Youth Protection program. Will you please do it?
