Last week we heard from **Tom Zwolfer of the Navy League, who talked** about the Navy League's upcoming effort to keep the sail of the USS Bremerton submarine -- the Bad Fish, we learned -- in its namesake city. Tom's heading up what will be an effort to raise \$1 million in donations or in-kind to create a memorial near the shipyard's Charleston gate.

This Wednesday's speaker is **Dave Lovely, President of South Puget Sound Rotary Club**. His talk is titled "Inspiration from the seat of a Motorcycle." In his presentation Dave focuses on life lessons learned over 10 years of traveling the world. A few of the life lessons you'll hear about include compassion, challenging oneself, and appreciation. All the life lessons presented correlate to the essence of being a Rotarian.

Rotary announcements

Odds and ends to really end the year

Past President David didn't venture far from the front of the room in his first week post-presidency. Wrapping up some business that didn't get finished at the Installation/Outstallation, David presented Jon Buesch with his FOURTH Paul Harris Award. Nice job Jon.

If it walks like a past president...

The former occupant of the weekly podium wasn't done. He -- and his duck hat, above -- announced the annual sale of raffle tickets offered by the Silverdale Rotary for the annual Whaling Days Great Duck Race. Buy a 'quack pack' THIS WEDNESDAY from David for \$20 to support the Rotary and win a prize.

If you have an item to include with the Rotary announcements, please email David Nelson at heyrels@gmail.com.

Who's happy?

From the July 3 meeting...

Everybody's favorite sergeant was collecting, and **Murphy Rose** was glad to accept a buck from **Jay Lovato** (above) who thanked David E and the board for a great year, and looking forward to have Andy lead the club... **Jon Buesch**, for a recent Alaskan cruise with his family... **Ron Mulheman** for David E and Andy, and Robert Washbond's Rotarian of the Year award... **Donna Evans**, who took her grandson for a driving lesson... **Steve Treanor**, for a great day with his family thanks to Dick and Sue Shipley's Model T and a dinner at McCloud's... **Jeff Rowe**, who's got two new hips... **Jim Aho**, for closing on a new piece of property for Illahee Preserve... **Vic Ulsh**, for the first speaker in EBR history to mention Legos, seeing his buddy Murphy Rose, and a trip to the Seattle waterfront for his birthday... **David Nelson**, for the Bremerton Bridge Blast fireworks from Judy Lucas's deck... **Alijah Hawley**, for **Justin and Sabrina Paquette** doing some childcare during the Installation Dinner... and **David Emmons**, for Andy doing the meeting, because he's glad it's not him up front every week anymore...

Denny asked hot dog trivia in recognition of the Fourth of July, and **President Andy** went around the horn and asked everyone to share their Independence Day plans. Somebody make sure John Armstong has all his fingers after his fireworks extravaganza...

Steve Treanor had his number called and racked up the winnings toward a Paul Harris Award, with the cash going to the Rotary Foundation.

Greeters This Week - July 10

The Greeters/Finemasters for the July 10 Meeting will be **Ken Hegtvedt** and **Paige Jarquin**. **Lance Walters** will lead the Flag Salute/4-Way Test and present the Invocation.
