Roadside Cleanup - July 2024

A cleaner stretch thanks to EBR's effort

The semi-annual EBR roadside cleanup event along Highway 303 took place on Saturday, July 20. Our fearless leader Doug O'Donnell and his supervisor Michelle organized the group, including Ali McLaughlin and children, Craig Volwiler, Don DeMers, David Nelson, Vic Ulsh and Dave White. Thanks to all for showing up and knocking it out.

Summer lunch program date is set

Sue Shipley announced that the Boys and Girls Club celebrates the end of their summer program the week of August 19. McClouds will supply lunch on Tuesday, August 20. Signup sheets are available for those who can come help serve lunch to the kids. If you cannot come on that Tuesday, other groups do lunch each day and you could join them.

Blackberry Fest with Bremerton Rotary

The downtown club has inquired for volunteers to help set up for the community event that they help put on over Labor Day weekend. Stay tuned for more specifics. Also, President Andy has a booth at Blackberry Festival for McCloud's and has offered EBR space to promote the club.

If you have an item to include with the Rotary announcements, please email David Nelson at heynels@gmail.com.

Who's happy?

From the July 24 meeting...

Jim Aho, above, handing his cash over to our most popular (and lucrative) finemaster, was happy to celebrate 42 years of marriage to Kay, and would like to find an electric beaver fence that runs on solar power to celebrate... **Joe Stevick**, happy to hand his money to **Murphy Rose**... **Andy Graham**, happy to see Joe Stevick at a meeting... **Doug O'Donnell**, who thanked a veteran for their service last weekend... **Vic Ulsh**, for his friends **Jon Buesch, Dave White** and **John Armstrong** for helping lay out the breakfast spread... Dave White, for our speaker and what Wayne has done for Rotary in Port Orchard... and **Denny Smith**, who took Connie out to lunch at McCloud's... then realized **Don DeMers** had picked up the tab!

Sonny had his number called, but couldn't pick the gold ball. But the headline here, IN BIG LETTERS, is that the Bulletin Committe was told that there is just **ONE BALL LEFT IN THE BAG!** Have your bucks ready Wednesday because if you get your ticket called, you get the barrel full of fish to shoot at...
