Mike Columbus
Mike's Rides for Life

Last week we heard from **Harriette Bryant, Steve Rice and Tom McVicker**, board members working on the planned Music Discovery Center project that will be part of the Quincy Square renovation of Fourth Street in downtown Bremerton.

This week is **the annual club assembly meeting**, hosted by President Andy and featuring info on what's to come this Rotary year and offering chances for you to hear places to get more involved.

Rotary announcements

Illahhee Preserve work effort next week

Our forest leadership team has arranged a full work day with a platoon of cadets from the Washington Youth Academy, which offers a chance to improve the trails and give those young people some positive behavior modeling. If you can join, even if just for a short window of time, please contact Vic Ulsh (*seen above at an Aug. 10 work party with fellow EBR members with a strong back, Joe Stevick*). The effort is planned from 8:30 a.m. to 3:30 p.m., and lunch is provided.

Summer lunch program date is set

Sue Shipley announced that the Boys and Girls Club celebrates the end of their summer program the week of August 19 (*that's next week, for those scoring at home*). McCloud's will supply lunch on Tuesday, August 20. Signup sheets are available for those who can come help serve lunch to the kids. If you cannot come on that Tuesday, other groups do lunch each day and you could join them.

Blackberry Fest with Bremerton Rotary

The downtown club has inquired for volunteers to help set up for the community event that they help put on over Labor Day weekend. Stay tuned for more specifics. Also, President Andy has a booth at Blackberry Festival for McCloud's and has offered EBR space to promote the club.

If you have an item to include with the Rotary announcements, please email David Nelson at heyneis@gmail.com.

Who's happy?

From the Aug. 7 meeting...

Sue Shipley and Chris James are both happy for **President Andy Grahams's** annual effort during Boys and Girls Club lunch week, and what it means to those kids... **Ron Muhleman** was happy to hear that Chris Piercy sang in the choir in high school... **President Andy**, for Ron's help with a recent car show... **Jon Buesch**, for rosters being at the printer and hopefully at EBR this week... **Tom Brobst**, happy to see friend and former member **Harriette Bryant** return to EBR as one of our speakers... **Vic Ulish**, for our speakers, including his friend **Steve Rice**... and **David Emmons**, sad to learn the lesson 'You snooze, you lose,' because we were out of bacon when he showed up late to the meeting...

Jon Buesch wins a Paul Harris Foundation donation with the winning ticket last week. And for those tracking the raffle leaderboard, the Newsletter Committed's week off meant you missed the announcement that **Alijah Hawley won the big prize on July 31**, when there was just one ball in the bag.
