### Thanks from B&G Club

Alison Compton, regional manager from the Boys & Girls Club, stopped by with a card from the kids to say thanks for serving lunch.

### Blackberry Fest with Bremerton Rotary

EBR will have a booth at the annual community event coming to the Bremerton Boardwalk over Labor Day weekend. We'll be selling blackberry pies as a fundraiser for our charitable giving projects. There's a sign-up sheet available, be sure to get your slot to help out at our booth.

### Illahee Preserve fall work party: One down, one to go

Our forest leadership team arranged a full work day with a platoon of cadets from the Washington Youth Academy last Friday, and the kids (and adults) persevered through a pouring rain storm to get a lot of chips laid down on the trail. Thanks to Joe Stevick, Jeff Rowe, David Nelson, and some other community helpers who joined Vic and Jon for the day. The next project with WYC is coming up Friday, Sept. 20, if you can check your calendars now.

## Who's happy?

*From the Aug. 21 meeting...*

**Happy bucks had a theme last week... Bill Wright** was happy for the Boys & Girls Club luncheon and seeing 50 smiling kids ... **Stacy Dore**, \$20 for the 20 Rotarians who showed up to help, and for the amazing service at Floor & Décor... **Ron Muhleman**, for President Andy's leadership and work on the annual lunch so the rest of us can just show up and serve... **Steve Treanor**, for a successful cybersecurity conference for DOD contractors, but sad that he missed the lunch... **Doug O'Connell**, who was in Ellensburg for his daughter's 50th birthday and her wedding anniversary... **Bill Benson**, for the Women's Giving Circle donating a quilt to be raffled at our Blackberry Festival booth... **Vic Ulsh**, for Andy teaching the Boys and Girls Club kids about what it means to become a firefighter, and also that Smokey the Bear (in the person of Vic Ulsh) was there to help extinguish a BBQ blaze ... **President Andy**, happy that he didn't burn down the building... **Denny Smith**, for Ron and Vic buying \$100 worth of potato chips for the luncheon.

**Craig Volwiler** was holding the lucky ticket, but also ended up holding a white golf ball, and the game continues...
