Duck Race Kickoff – and We're Off!

By Barbara Beagle on Monday, June 27, 2022

And what a Kickoff it was!

Duck Tales:

From Nancy Whitaker: "I had a woman stop and buy 2 Quack Packs Friday, 2nd one she asked for Cathy's hat and got it! ?? She was only going to buy one but saw the hat!!"

From Cathy Bisailon: "I was tempted to offer the shirt off my back if she would buy a third QP!"

From Steven Boe: "I enjoyed talking to a lot of young Navy people that were new in town and didn't know anything about the Duck Race. Several of them stopped by just because of the big ducks. So it was fun telling them about ducks and Rotary. A couple of them said that they were from (I believe) New Mexico, and that they release real ducks for a yearly race! They were very excited about our Duck Race even if the ducks were only rubber!"

Thanks to everyone who helped set up and take down our Flock of Four and the ticket booths, and to everyone who helped staff the event!

President's Project: Memorial to Jack Jensen at Newberry Hill Heritage Park

By Erin ML Shannon on Monday, June 20, 2022

In March 2022, Silverdale Rotarians and volunteers laid out an area along one of the trails in Newberry Hill Heritage Park to create a memorial area for Jack Jensen (1929-2020), who was a member of Silverdale Rotary for 45 years.

The project, a brainchild of Co-Presidents Jennifer Strong and Erin Shannon pictured below,

was to create a park within the park, including a memorial bench with a commemorative plaque. They enlisted the help of Silverdale Rotarian Nancy Whitaker (pictured in center below), a volunteer Park Steward, who was instrumental in managing the project.

After removing mountains of Scotch broom and brush from the edge of the forest and making a clearing, they planted 64 native plants (e.g., rhododendrons, hawthorne, Oregon grape).

Co-President's Jennifer Strong and Erin Shannon knew they wanted to focus their President's Project on the outdoors, and truly wanted a place in the community to commemorate Jack. **"Jack always had a smile and a joke, and you knew it was going to be a great day!" said Jennifer.**

June 16 was dedication day!

Front row: Nancy Whitaker, Rich Arper, Mary Hoover, Jennifer Strong, John Jensen, Memorial Bench, Dawn and Adam McCalden, Erin Shannon

2nd row: Former Silverdale Rotarians Josh Hinman and Jason Mayer, Bob Cassis, Arno Bergstrom, Ed and Corey Hamilton, David Emmons, Scott Slocum, Danny and Frank Guthrie, Steve Slaton, Jim Dudley, Steven Boe

Back row: Daniel and Sam.

The sun broke through the trees at Newberry Hill Heritage Park just in time for Rotarians, Jack's family members, and Kitsap Parks personnel to focus on Jack, a stalwart in the community and Central Kitsap High School for decades. [Click here](#) for the video of the dedication and a tour of the plantings.

Having members of the Jensen family (Jack's son John Jensen, and Jack's grandson Adam

and wife Dawn McCalden) made the event so special.

We were also delighted that representatives from Kitsap Parks and Recreation attended. They helped us lay out the footprint of the project and suggested varieties of native plants to purchase and plant. Pictured below are Sam who works with volunteer groups, Arno Bergstrom who is the Head Forester for Kitsap County, and intern Daniel from WSU.

Many Rotarians also attended and shared their stories about Jack. Pictured are Scott Slocum and Jim Dudley who brought Jack to regular Rotary meetings for years when Jack could no longer drive.

A special thank-you goes to Rotarian Nancy Whitaker (also a Kitsap County volunteer Park Steward pictured on left with "Thank You" plant from Co-Presidents Jennifer and Erin) who was key to making the project and dedication a success. Nancy coordinated with Kitsap County Parks personnel to lay out the footprint of the memorial, and she also sourced all 64 native plants and supervised planting them!

Silverdale Rotarians – People of Action!

Port Gamble Heritage Park - Rotarians at Work!

By Cathy Bisaillon on Sunday, June 19, 2022

Rotarians - People of Action!

It is easy to take trimmed walking trails and landscaped picnic grounds for granted. I always did. But, since committing to the ongoing maintenance of the Port Gamble Forest Heritage Park, I am starting to understand just how much work is involved and how important it is.

Pictured: Kitsap Parks rep Sierra, Heather Campana, Erin Shannon

On June 18, volunteers from the Silverdale Rotary Club joined fellow Rotarians from the Crossroads and Kingston Rotary Clubs to give one area of the 3,500 acres a sprucing up. The trails were narrowed by overgrowth and exposed roots, and the scenic picnic area was difficult to access due to tall weeds and debris.

Kitsap Crossroads President Geoff Schmidt

After a warm welcome and briefing from the park stewards, we were set loose with hand tools, rakes, weed whackers, and hedge trimmers. In just over two hours, the results spoke for themselves. See "after" photo below!

Erin and 4-legged helper with stuff we found!

Many thanks go out to the Silverdale Rotarians who joined me on this misty Saturday morning: Co-President Erin Shannon (did she mention it was her birthday?), Steve Slaton, Heather Campana, Ed Hamilton, Corey Hamilton, Danny Guthrie, and Frank Guthrie.

Below is all that was left of Cathy and Erin!

I am proud to note that our club had the most volunteers of the joint-club effort, and I am excited to involve more of our members in the next installment of this rewarding partnership as we support Rotary's seventh area of focus, *Supporting the Environment*.

Beauty and The Beast - Kitsap Forest Theater Outing on June 19

By Erin ML Shannon on Sunday, June 19, 2022

On Father's Day Danny and Frank Guthrie, Cathy Bisaillon, Ashley Oaksmith and Erin Shannon met up at the Kitsap Forest Theater on Sunday to watch the last production of Beauty and the Beast. The venue was perfect, and the sun came out just in time!

Below is a scene from the production where Belle meets The Beast for dinner. Note the beautiful forest surrounding. The show was fantastic, and Danny was given a rose from 'The Echantress' and cheered loudly for the cast.

It was a fantastic production!
