This Week's Speaker...

This Week's Speaker 

Peggy Vandeplassche
Author, "Paris, Mushrooms, and Me"

January 12, 2023
Twin Lakes Country Club

The graphic is a dark blue rectangle. At the top right, it says "This Week's Speaker" in white, followed by a yellow Rotary logo. On the left is a circular white portrait of a woman with brown hair, smiling. To the right of the portrait is a yellow rectangular box with the name "Peggy Vandeplassche" in white. Below the name is the text "Author, 'Paris, Mushrooms, and Me'" in white. At the bottom, there is a vertical dashed line on the left, followed by the date "January 12, 2023" and the location "Twin Lakes Country Club", both in a yellow, italicized font.

A former banker and venture capitalist, Peggy spent twenty years in the financial services and technology industries, as an executive, investor, board member and entrepreneur.

In 2022, her decade-long personal healing journey had led her to leave her successful banking career to focus full-time on public speaking and writing, sharing her story of personal transformation with a wide audience.

She is the author of "Paris, Mushrooms, and Me", a memoir on her experience with microdosing psychedelics. Peggy interacts weekly with her 20k followers on LinkedIn, YouTube, and Substack.

She is no stranger to reinvention. Plagued by high levels of anxiety and phobias since childhood, Peggy grew up in low-income housing in an industrial area of the North of France being raised by a struggling divorced mother.

In her mid-twenties she immigrated to Canada to rediscover herself and now lives in Toronto, with her husband Maxim and their two cats, Twinkle and Bastet.

She is an avid tennis player, reader and writer. She loves to travel and eat (not cook though!).

She is passionate about animal welfare and supports multiple charities, as a volunteer and donor, such as AVA Cats, The Wild Animal Sanctuary, Ladybird Animal Sanctuary and the Toronto Humane Society.
