### This Week's Speaker...

The March of Diapers drive started after South King County resident Cheryl Hurst visited The DAWN domestic violence shelter that routinely has babies accompanying women seeking shelter from domestic abuse. Hurst, says, "I saw that the shelter had only 1 box of diapers and I had this indescribable feeling that something needed to be done to fix this problem."

Government assistance safety net programs do not pay for diapers and wipes, so the March of Diapers uses the month of March to collect diapers & wipes to meet a desperate need for baby sanitary products that would otherwise not be met...

A message from Tonya Lind, Librarian at Rainier View Elementary:

*Good morning! I am the librarian at Rainier View Elementary School in Federal Way. We are a Title 1 school, serving Federal Way students including many immigrant and refugee children. This is my second year at RVW and I am trying to revive a very aged collection, including adding dual language books for our multi-language learners. Would you be interested in helping support this endeavor? Below is a link to our library wish list. I hope you will have some fun choosing books for our library. All purchases ship directly to the school. Please feel free to share the link on your on-line platforms. Thank you so much for your consideration.*
