A message from Tonya Lind, Librarian at Rainier View Elementary:

Good morning! I am the librarian at Rainier View Elementary School in Federal Way. We are a Title 1 school, serving Federal Way students including many immigrant and refugee children. This is my second year at RVW and I am trying to revive a very aged collection, including adding dual language books for our multi-language learners. Would you be interested in helping support this endeavor? Below is a link to our library wish list. I hope you will have some fun choosing books for our library. All purchases ship directly to the school. Please feel free to share the link on your on-line platforms. Thank you so much for your consideration.
