This Week's Speaker...

Valerie Danforth, BAG (Bridging a Gap)

BAG was established during the 2013/2014 school year through a grant from the St. Luke's Foundation. Our mission is to provide weekend bags of food to students in the Federal Way School District who are experiencing food insecurity. We partner closely with the FWPS. School staff identify the students to participate in the program. Since its inception, through the support of community organizations, the Federal Way Public School District and the City of Federal Way, we have grown from serving 7 students at one school, the first year, to providing 268 bags of food per week to 19 schools in the district.

Centerstage Theatre presents **First Date**

MARCH 29 – APRIL 21, 2024

A Rotarian's Review

Having heard about this musical first performed at the 5th Avenue Theater, and later on Broadway, my expectations were unusually high and ultimately fulfilled. Each of the performers is outstanding. The book and music are spicily witty and highly entertaining, respectively. I especially enjoyed the friction between the main characters that produced fantastic chemistry. Overall, a thoroughly entertaining and exciting show that shouldn't be missed.
