Redmond High School Interact Club collects toiletries for local charity, Essentials First

By Jacquie May on Monday, October 31, 2022

Our Interact Club at Redmond High School recently collected toiletries for the Essentials First charity based in Bellevue. Essentials First hands out hygiene products to those in need, as cleanliness is a basic human dignity that no one should have to go without. Redmond Rotary Secretary and Interact liaison Jacquie May, collected the items to take to a kit- assembly project on the morning of November 5th organized by Woodinville Rotary Club. Several Interact students and several Redmond Rotarians have signed up for the event, which gives us a chance to work together.

The Interact Club also gave Jacquie May a box of completed and tested WAPIs to mail out, and the students worked on their schedule that will include talks from local and district Rotarians.

Jacquie surprised the students with cookies, which everyone enjoyed.

Rotary Members Brave the Rain to Chat with Residents at Saturday Market

Monday, October 24, 2022

Redmond Meets at Family Pancake House Redmond 1st and 3rd Thursday (Zoom) Postdoc Brewery 2nd and 4th Thursday (No Zoom) 5:30 PM

Time: Thursday at 12:00 PM

No Events found

Members of Redmond Rotary braved the first rainstorms of fall to chat with local residents at Redmond Saturday Market on October 22, 2022. Richard May, Jacquie May, Winston Lee, Phil Quested, and Paula Del Giudice visited with those who stopped by our booth about the upcoming Stinky Spoke ride and club activities. Leftover beanies from Stinky Spoke 2022 were a big hit! It was a good "dry" run for tabling about Redmond Rotary. We'll explore other opportunities to table at the Saturday Market when the new schedule comes out in January.
