Redmond High School's October Students of the Month

Friday, November 11, 2022

Redmond Rotary recognized Redmond High School's October Students of the Month at its recent meeting. At its meeting on Thursday, November 3, Redmond Rotary members celebrated the achievements of two Redmond High School students who were selected as the October Students of the Month.

Last month, the English teachers at Redmond High School nominated students who have excellent records of achievement and are well-rounded individuals. Rotarians Jacquie May and Winston Lee participated in interviews and chose Emma Morrissey, Junior, and Sophia Kolliker Frers, Senior.

Rotarians welcomed both students, their families, and nominating teachers for lunch and to share the achievements of

both students.

Congratulations, Emma and Sophia!
