Feb 1st Club Bulletin

Our speakers this week are our very own Mike O'Halloran and Bill Gaw.

Please join us at the Fairwood Golf & Country Club at noon for lunch. Guests lunch is \$20. This week on the menu is chicken taco salad with churros for dessert.

CAPER 2024 Date TBD

The CAPER 2024 date is moving! We just found out that Birthday Dreams has scheduled their 2024 auction for the same date we were considering, September 28th. Because we haven't landed on a location yet and they have booked at Museum of Flight, we are changing plans. Looking at Oct 5th or Oct 12th now and hope to have it nailed down, and a location, soon. If you have any thoughts on date, location, theme, anything else, let Mark St. Peter know.

Rotary District 5030 Embarks on Ambitious Lithium Battery Recycling Campaign

The District 5030 Environmental Sustainability Committee is launching a very ambitious Rotary campaign to recycle lithium ion batteries throughout our District. These are batteries that come in cell phones, laptops, tablets, power drills, e-bikes, electric vehicles and anything that is rechargeable. Lithium-ion batteries are a phenomenal technology that can propel us into a clean energy and transportation future. All lithium-ion batteries are made up of varying amounts of critical minerals like cobalt, nickel, copper and lithium. What is incredible is these minerals can be recycled almost infinitely.
