Speaker May 9th, 2024

Bukobero, Uganda Community Health Clinic
Sheila Hosner, University Rotary Club

After Sheila Hosner retired from the WA State Department of Ecology, she went to Uganda where she volunteered in a hospital for almost three years. That work led her to a relationship with the Bukobero community which asked if she would help them build a desperately needed health clinic. Sheila will be presenting on the progress of building the Bukobero Community Health Center III which Renton Rotary has generously supported.

May Teachers of the Month

Renton Rotary selects Teachers of the Month

May 2024 – As part of their commitment to education, and to celebrate teachers in the Renton School District, each month members of Rotary Club of Renton selects a few teachers as Teacher of the Month.

May Teachers of the Month are:

Kia Fluth

Production Art Teacher at Talley High School

Kia attended the Art Institute of Seattle where she earned a degree in Graphic Design. From there she began a career as a graphic designer and manager where she worked in the industry for 20 years and then an opportunity presented for her to become a teacher in Renton. In her first year of teaching, she attended Central Washington University to obtain her Career and Technical Education Certificate. In her spare time, Kia enjoys spending time outdoors through competitive target archery and fishing. Kia has been teaching in Renton for ten years.

Greg Golliver

Kindergarten Teacher at Maplewood Heights Elementary School

Greg attended the University of Washington to earn a Bachelor of Arts in Business and in Psychology. He continued to receive a Master's in Teaching from City University and has obtained National Board Certification. Before becoming a teacher, Greg served as the Director of Fundraising for an organization that serves homeless families called Wellspring Family Services

and also worked for the Seattle Humane Society. Outside of the classroom, he enjoys reading and riding his Harley Davidson motorcycle. This is Greg's 14th year teaching with the Renton School District.

Jessica Steinle

Instructional Facilitator at Renton Park Elementary School

Jessica attended Minnesota State University where she earned a Bachelor of Science in Elementary Education and Mathematics and she continued with Western Governors University to earn a Master of Arts in Mathematics Education. In addition, she worked to earn her National Board Certification in Early Adolescence Mathematics. She began her teaching experience as a middle school math teacher and instructional coach where she worked at the middle school level for 18 years. Outside of the school day, Jessica enjoys kayaking, hiking and paddleboarding but also spends time baking, reading and puzzles. This is her second-year teaching in the Renton School District.
