Renton Regional Community Foundation
Executive Director and Renton Rotarian LeAnne Moss

Connecting Community

Since 1999 the Renton Regional Community Foundation has been fostering philanthropy in South and East King County and acting as a connector around people, place and purpose. Their mission is to ignite the power of philanthropy by connecting people, ideas and resources to support and engage our community.

RRCF partners with individual philanthropists and non-profit organizations to provide solutions to today's challenges, so that together we can work toward our vision of a vibrant, equitable region where communities flourish and everyone thrives.

The grand prize for our Ducky Derby is \$1000 cash which, throughout the years, has been generously donated by members of our club. This donation, as with all the wonderful prize donations, allows us to maximize the dollars that go back to our various projects and community support efforts.

If you can contribute any money towards this grand prize, please see the crew at the back table. We will gladly accept cash, credit or check. Thank you!
