### Father and Son Explore Iceland: An Exciting Adventure

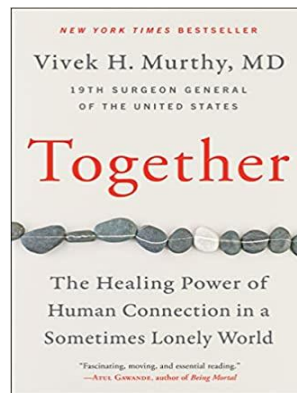

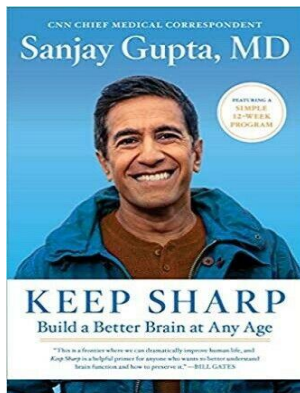

Hiking with Howard Lambka

In 2015 Rotarian James Lambka and his dad, Howard, spent two weeks in Iceland. The first week was mainly touring the county by car and stopping at different places, some with short hikes and some with longer ones. Iceland has a road that encircles the island country and the pair traveled in a clockwise fashion from Reykjavik and back. The Lambkas then set out for a four-night hut-to-hut hike in the interior of the country, returning then for a few days to enjoy Reykjavik
